### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The closest prior art reference, Bertacchi (USPN 6,625,461), disclose a method and system for increasing compatibility among telecommunications networks using different types of signaling systems, wherein the domestic VMSC or GMSC can translate the received MSCID or physical address into a physical address compatible with the signaling system used by the foreign cellular network (see column 6 line 60 - column 7 line 8 and column 10 lines 19-35); the conversion can be accomplished using a table stored at the message center that contains a list of MSCIDs or other physical location information and a corresponding physical address for the VMSC that is compatible with the signaling system used by the message center (see column 8 lines 55-60).

However, regarding claim 1, Bertacchi fails to disclose or render obvious the claimed features of:

facilitating communications between a home register database and a computer operable on the second network, so that authorization commands can be issued directly from the home register database to the computer on the second network.

Regarding claims 8 and 15, Bertacchi fails to disclose or render obvious the "means plus function" limitations in accordance with 35 U.S.C. 112, 6<sup>th</sup> paragraph. Bertacchi fails to disclose the same or equivalent structure of means for converting, means for forwarding, or means for receiving.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Pao Sinkantarakorn whose telephone number is (571)270-1424. The examiner can normally be reached on Monday-Thursday 9:00am-3:00pm EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ricky Ngo can be reached on 571-272-3139. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
